### **From O R Tambo**

Follow the R24 direction Johannesburg

Then change to the N3 direction Pretoria

At intersection 104 (Bucleuch) follow the N1 direction Roodepoort (which means that you basically follow the road that you are on)

Take the first off-ramp (100) after this which takes you into Rivonia Road (direction Sandton)

See directions from the N1 above.

N.B. If you are using GPS (SatNav) you may find that your software does not recognise 10th Avenue Rivonia. In that case try entering Green Gables on its own, or Tenth Avenue Edenburg.
